**Re:** We Did It!

Brothers and Sisters,

One month ago, CSEA's 25,000 members put our support behind three phenomenal candidates. Dan Malloy for governor, Kevin Lembo for Comptroller, and Denise Merrill for Secretary of the State. Tonight, I am thrilled to say that all three of our endorsed candidates won their primary elections.

We put our time, passion, and energy in to making sure candidates who honor our service would be victorious. Tonight, our hard work paid off. The primary election results are a victory for every member of CSEA, our families, and the residents of the great state of Connecticut. But tonight is just the start.

We congratulate Dan Malloy, Nancy Wyman, Kevin Lembo, and Denise Merrill. Tomorrow, we begin the necessary work to ensure they win in November.

Thank you for all that you do.

**Cathy Osten**

President, CSEA SEIU Local 2001
