

Member "Innovations & Efficiencies" Proposals

This brief survey is being prepared to demonstrate how, once again, public service workers are ready to put innovation in action. Please provide at least **two concrete ideas** on how to advance the efficiency of state or local government, improve the quality of services our members deliver, jump-start the economy, or save taxpayers' money, in 200 words or less.

Name: _____

Council/Chapter: _____ Title: _____

Mobile Phone: _____ Work Phone: _____

Union or Home Email: _____
