Note not all these stops are on 1 bus, we can do more than 1 bus and seats are assigned as the people book the trips. If we start with more than 1 bus and do not sell enough will place on 1 bus by reservation date. There are a couple of bus companies that will be used.

Groups you can also have you own bus with enough passengers to cover all cost. Or you would have to share the bus. 25 Passengers or more will have your own bus.
